

A photograph of a modern building facade featuring a series of balconies with glass railings. The building's exterior is clad in horizontal wooden slats, creating a rhythmic pattern. The balconies are cantilevered, and the glass railings reflect the sky. The building is situated in an urban environment, with other buildings and a street visible in the background. Two people are walking on the sidewalk in the foreground, and a car is parked on the street.

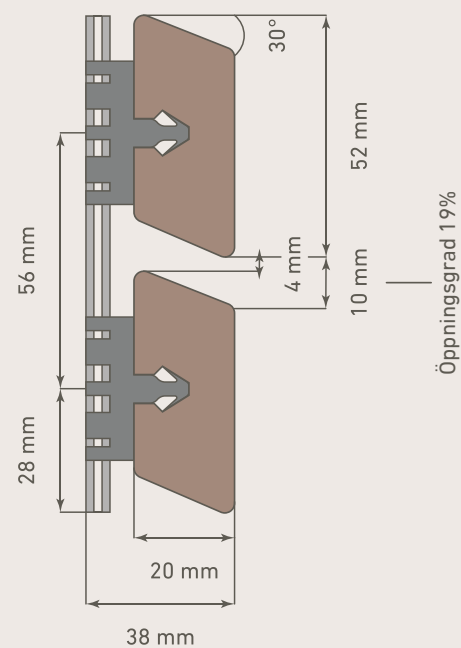

DOLLE®

i-CLIPS®
FASADBEKLÄDNAD
