Technical drawing of a robotic arm assembly. The drawing shows a robotic arm on the left, connected to a long horizontal bar. The bar has a diameter of $\phi 5\text{mm}$. The distance from the arm to the first hole is 20mm. The distance between the two holes is 130mm. The distance from the second hole to the end of the bar is 20mm. A dimension line labeled '6' indicates the total length of the bar.
